

1st ENAAEE Conference
***EUR-ACE[®], the European Quality Label for Engineering Degree Programmes:
Current Experiences and Perspectives***

Porto, Portugal, Faculty of Engineering, 12-13 November 2012

PROGRAMME (as of 5 November 2012)

[NOTE: The order of the presentations within each Session is purely indicative]

Monday 12 November

8.15-9.00: Welcome Coffee, offered by FEUP

09.00-10.30 Session 1

Chair: Denis McGrath

09.00-09.30: Introduction & Welcome Addresses

09.30-10.00: Address by ENAAEE President, Iring Wasser

10.00-10.45: Keynote Lecture: Prof. José Vieira "Accreditation of Study Programmes in Engineering in Portugal: Challenges for the EUR-ACE Label"

10.45-11.15: Coffee break

11.15-13.30: Session 2

Chair: Sebastião Feyo

11.15-11.30: Overview of the Conference Programme (G.Augusti)

11.30-13.30: Contributions from ENAAEE

1. E. Payzin, B. E. Platin, MÜDEK: A decade of experience on outcome based accreditation: still a long way to go
2. Ian Freeston, ENAAEE: Where is the Forefront in Accredited Engineering Education?
3. S. Gerasimov et al., Ass. Engineering Education of Russia: AEER accreditation criteria: quality assurance of engineering program learning outcomes
4. B.Remaud, T. Sánchez Chaparro, CTI, C. Duykaerts, AEQES, et al.: A collaboration between AEQES and CTI for the joint evaluation and EUR-ACE accreditation of long cycle engineering programmes in the French community of Belgium
5. A. Squarzoni, G. Augusti, E. Stefani, QUACING Agency: QUACING Approach to EUR-ACE Accreditation
6. I. Curtu, R. Damian, I. Manoliu, ARACIS: A case study : the way of the Romanian Agency ARACIS to the authorization to award EUR-ACE label
7. A. Chuchalin, E. Yatkina, Tomsk Polytechnic University: Accreditation of Engineering Programmes taking into account Profiles and Specializations

13.30-14.30: Buffet Lunch

14.30-16.00: **Session 3**

Chair: Françoise Come

14.45-16.00: Contributions to EUR-ACE

1. O.V. Boev, M.S. Tayurskaya, Tomsk Polytechnic University: EUR-ACE Standards as a Framework for Curriculum Design: ECDEAST Project
2. K. Holm et al.: FINHEEC and EUR-ACE accreditation: making up a quality palette.
3. D. Seddon, Engineering Council, UK: UK engineering degree accreditation: the Engineering Doctorate
4. C. Borri et al., School of Engineering, University of Florence: Encouraging the Mobility of Engineering Graduates: the European Case

16.00-16.30: Coffee break

16.30-18.00: **Session 4**

Chair: Bernard Remaud

16.30-17.15: Keynote Lecture: Prof. Basil Wakelin: "Accreditation and Competence in the Context of World Wide Engineering Mobility - the International Engineering Alliance Experience"

17.15-18.00: Engineering QA and accreditation on the global scene

1. Tan Kay Chuan et al., National University of Singapore: The ASEAN University Network Quality Assurance Journey: Challenges and Lessons Learned
2. H. Hanrahan, Univ. Witwatersrand, Johannesburg: Conceptual Model for Professional Competence and its Educational Foundation for Engineer and Engineering Technologist Roles

20.00-22.00: Conference Dinner

Tuesday 13 November

9.00-10.30: **Session 5**

Chair: Iring Wasser

9.00-10.30: European experiences

1. A. Costa et al., ISEP - Polytechnic of Porto: *CDIO contributions to EUR-ACE certification at ISEP*
2. E. Londers et al., KU Leuven: *ACQA as an Instrument for Self-Assessment: Experiences at the Faculty of Engineering Science at KU Leuven*
3. J. P. Ponciano, School of Engineering, Manchester Metropolitan Univ.: *Promoting mobility and employability by harmonising engineering programmes accreditation criteria*
4. A.Á. Suárez et al., Polytechnic School of Engineering (Univ. Oviedo): *Internal Quality Management System of the Polytechnic School of Engineering (University of Oviedo)*
5. E. Varella, ECTNA and AUTH: *Quality Labels for Interdisciplinary Studies Related to Chemistry*

10.30-11.00: Coffee break

11.00-13.30: Session 6

Chair: Giuliano Augusti

11.00-13.00: Overall discussion and proposals for the future of EUR-ACE

13.00-13.30: Conclusion of the Conference

13.30 -.... Light refreshments (sandwiches & drinks)

14.00-15.30: ENAAE Administrative Council: *open meeting with ENAAE member representatives*

15:30-17:00: Continuation of AC meeting *with AC members only*

17.15-19.00: ENAAE Promotion Committee (*Committee members only*)

with the support of **ORDEM DOS ENGENHEIROS**

and

Faculdade de Engenharia da Universidade do Porto
